and play it in F

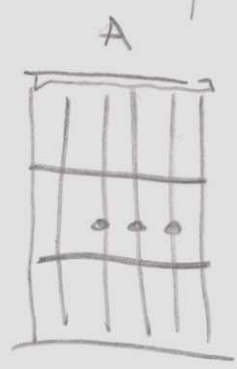

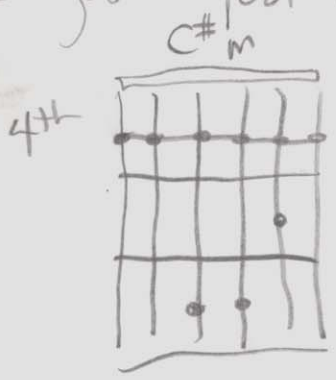

# POWER OF LOVE

Intro is all on the  
E chord

The verses are all on the  
E chord - the song is structured  
around Kenny's guitar part which  
I don't know how to notate.

out of nothing out of the grey  
you made heaven and earth in only six days  
over glowing, too full to measure  
And you put us all here for your own pleasure

And we live (that's the power)

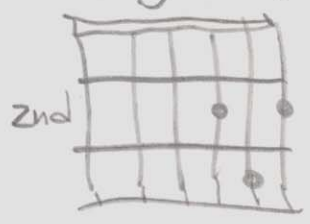

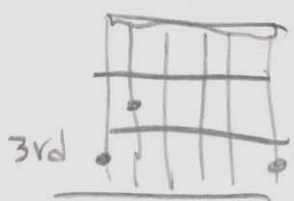

we move (that's the power)

C#<sub>m</sub>

G

D

we breath (that's the power) of

love

we

2nd half of the chorus it repeats the G to D and  
then returning to the E
