Verse

well you come on to me and you court + pursue me
hey you asked me for the rest of my life
you're big on romance but you're short on circumstance
and you forgot to tell me you have a wife
like you tell me that truth is your creed

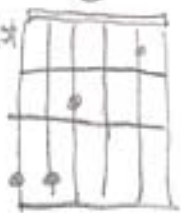

but you don't apply it to me, your honesty is riddled with lies

Chorus

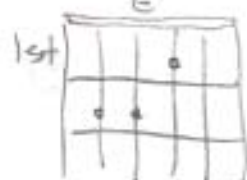

Hey come on Willy do you really want to leave her?
Is it me you love I think it's just love that you love
Willy Deal me a straight hand
you got the wild card inside your glove

Bridge:

There's no time to talk in abstracts now
you take all the slack that love will allow

Instrumental:
